Dear Mr.

On July 21, 2003, under the Freedom of Information Act, you asked if the National Finance Center processes the payroll for the Internal Revenue Service (IRS). Yes, we process the input from IRS, calculate the pay, and send authorization for payment to the U.S. Department of Treasury who will either issue a check or send a direct deposit to the employee's bank account. If you have any questions, contact me at (504) 255-5676.

Sincerely,

A handwritten signature in cursive script that reads "Anita R. Smith".
