Part II Certification

I declare under penalty of perjury under the laws of the United States of America 28 U.S.C. §1746(1) that the foregoing is true and correct.

1. If a number was provided on this form, it was provided under duress and its accuracy cannot be guaranteed in the presence of duress.
2. I am not subject to backup withholding because: **(a)** I am exempt from backup withholding, or **(b)** I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or **(c)** the IRS has notified me that I am no longer subject to backup withholding, **and**
3. I am NOT a "U.S. person" under 26 USC 7701(a)(30) but instead am a "nonresident alien" not engaged in a "trade or business".
4. I am submitting this form ONLY because the recipient has demanded it and the IRS has not provided any form for those who do not have or need or want a federal identifying number because they are a "nonresident alien" occupying areas outside of exclusive federal jurisdiction.
5. The appropriate form to submit is an IRS form W-8BEN, but the recipient would not accept this form and has threatened me with either termination or denial of a Constitutionally protected right if I do not submit a form which I know to be untrue and sign it under penalty of perjury. They have done so under the "color of law" as a voluntary alleged "agent" of the federal government, but have also refused to discuss or demonstrate or respect the lawful limits upon their authority to do so. This results in an actionable tort, since it was done in willful defiance of what submitter alleges but is being prevented from proving is a legal duty, in what appears to be obstruction of justice.
6. That the recipient of this form is without lawful authority to interfere with my First Amendment right to communicate with my government as I see fit and NOT according to requirements that it cannot demonstrate using positive law and corresponding implementing regulations.
7. If the recipient takes issue with the content of this form, then he/she shall do so ONLY in a signed writing under penalty of perjury, just as this form is submitted. No verbal responses or "blind siding" will be allowed. All demands must be accompanied by the statute AND implementing regulation published in the Federal Register which authorizes such a demand. Making any "presumptions" is a violation of due process of law and a deprivation of Constitutional rights to life, liberty, and property.
8. The content of this form are copyrighted and and a trade secret. NO PART of the information contained herein may be disclosed to any government agency or third party. Failure to observe this restriction shall result in a personal liability of \$100,000 for each occurrence, plus whatever additional liabilities result for misenforcement and misapplication of the Internal Revenue Code against the innocent party who is the compelled submitter.
9. It amounts to "compelled association" in violation of the First Amendment to the Constitution to be forced to declare that I am either a "U.S. Person" or a "taxpayer" when I do not consent to be and when I can prove with overwhelming evidence that this is simply NOT the case.
10. The recipient of this form is encouraged to rebut the court admissible evidence upon which it is based in good faith, which can be found at: <http://famguardian.org/TaxFreedom/Forms/Discovery/Deposition/Deposition.htm>. Failure to rebut within ten days of the date on this form shall constitute an "estoppel in pais" and a "nihil dicit judgment" against the recipient for all factual matters addressed by the evidence.
11. On the subject of duress, the American Jurisprudence legal encyclopedia 2d has the following enlightening things to say:
 "An agreement obtained by duress, coercion, or intimidation is invalid, since the party coerced is not exercising his free will, and the test is not so much the means by which the party is compelled to execute the agreement as the state of mind induced. Duress, like fraud, rarely becomes material, except where a contract or conveyance has been made which the maker wishes to avoid. Like other voidable contracts, it is valid until it is avoided by the person entitled to avoid it. However, duress in the form of physical compulsion, in which the party is caused to appear to assent when he has no intention of doing so, is generally deemed to render the resulting purported contract void." (American Jurisprudence 2d, Duress, Section 21)
