Subject: Second Amendment Primer offer

Here's whats keeping them awake:

One of the most powerful tools ever devised to safeguard your freedom to keep and bear arms.
The extraordinary new book that is receiving rave reviews throughout the firearms world:

The Second Amendment Primer

**EXCLUSIVE EMAIL OFFER TO
NRA MEMBERS ONLY**
Acquire a First Edition of this
remarkable leather-bound book at a
savings of 20% off the retail price!

The Second Amendment Primer is a "Citizen's Guidebook" to the history, sources, and authorities for the Constitutional guarantee of our right to keep and bear arms.

You always hoped... that someone, some day, would provide you with powerful ammunition to fight the battle to protect and preserve our right to keep and bear arms. Now you can get it at a substantial savings!

What this terrific little book does: The Second Amendment Primer will empower you, in an absolute and unique way, to refute the claims of the gun control people who insist the Second Amendment means something other than what it plainly says. In our office, we've begun calling the Primer our "stealth Book", because it barrels under the radars of the gun control people and absolutely demolishes their unsubstantiated arguments that this country needs more gun control legislation.

Over 450,000 copies already in print!

The *Primer* has achieved a publishing milestone. Thousands of alert individuals already own this gem. And get this: The *Primer* isn't sold in stores. While copies last, you can get a first edition direct from the publisher.

What's in its 368 fact-packed pages:

- The complete history of the right to keep and bear arms, from ancient times throughout the 16th to 19th centuries in Europe, England, and Colonial America, including drafting and enactment into the Bill of Rights.
- All the thoughts on our rights by the world's great thinkers, presented exactly as first written or spoken.
- 368 pages, bound in imported bonded leather and printed on acid free paper that will never fade, with antiqued end papers.
- Sized at 4-1/4"X6-1/4", perfect for pocket or purse.
