## **DOJ FOUND GUILTY OF NEGLIGENCE AND ATTEMPTED MURDER; IRS & DISTRICT JUDGES CONSPIRATORS**

WASHINGTON—Noted servant of the People aka “The World’s Biggest Law Firm”, ironically named the “Department of Justice” of Washington, D.C., was convicted in God’s dominion court for now attempted murder. This was added to the laundry-list of previous charges of conspiracy, complicity, obstruction of God’s people to tell truth, and obstruction of Jesus’ commands to his people.

During God’s trial in her Bureau of Prison’s cell, witness under God’s plan, Sherry P. Jackson, revealed the in-humane treatment she has received at the hands of her political incarcerators. It was revealed she appealed for help numerous times only to be shunned.

In spite of President Obama’s claim that...”They will not long tolerate those who are on the wrong side of history...” , it was judged that the IRS/DOJ is on the wrong side of biblical history. The website for the Bureau of Prison’s was judged to state a lie when it said its “vision” is “humane” treatment.

Make no mistake: All partners in Jackson’s trial share in the conspiracy to silence the truth. This includes the IRS, the DOJ prosecutors and the district judge. God absolved the jury of wrongdoing for they were restricted via motion ...and such deceptions as judge’s informing juries they are to judge on the facts alone and not the law. [A clear deception even in man’s world law.]

God has reserved judgment for ALL conspirators by reserving a special place for those who obstruct his plan for “self evident truth” of “inalienable rights”.
